

DEEP TECH HOUSE GROOVES

[Next Sound Records](#) offers a new package called [Deep Tech House Grooves!](#)

Deep Tech House Grooves - delivers the perfect blend of Tech House and Deep House, we are confident this collection hosts everything you need to keep those speakers shaking and the people dancing.

In this sample pack, you will find: Bass Loops, Ambience Loops, Pluck Loops, Synth Loops, Piano Loops, Percussion Loops, Kick Loops, Claps Loops, Hi-Hats Loops, includes as well MIDI files for all the musical elements, allowing you to seamlessly mix your favorites synths and samplers with the sounds contained in the pack. MIDI has the added benefit of allowing you to go to extremes of pitch and tempo beyond which the loops were originally recorded, with no time stretching or pitch shifting artefacts. Furthermore, you can make tweaks to the riffs so they fit perfectly into your existing mixes.

But that's not all also in this sample pack you will find presets for the synthesizer Spire and Serum!

This sample pack is ready to charge you with new emotions and ideas!
